

Not yet Evident	Initiating "Thinking About It"	Developing "Working on It"	Implementing "Living It"	Transforming "Shifting the Paradigm"
<p>Elements of the Principle are not yet evident in the school.</p>	<p>The ideas or concepts in the Principle are being considered by the school community, but not yet in action.</p>	<p>Some elements of the Principle are in place and the school has developed plans and timelines for full implementation.</p>	<p>All elements of the Principle are firmly in place in the school. Organizations or systems have been formed to support and sustain these practices.</p>	<p>The Principle is driving innovative and transformative practices to achieve the school's vision of the graduate.</p>
